Declaration of Conformity

CalCheck LED Calibration Verification Devices are produced at a Hygiena LLC facility that is regulated by FDA and USDA and certified per ISO 9001 and ISO 13485.

Hygiena, LLC is not a food manufacturing or food processing business. We are open to third party or supplier audits as allowed in our quality agreements.

Prior to shipment, all parts are inspected to ensure they meet required specifications. To Hygiena's knowledge, specific defects do not exceed the maximum allowable according to the appropriate specification.
